

## **NOTICE TO COMPETITORS - CANCELLATION OF MATCH RACING CHAMPIONSHIPS**

Senior BUSA officers met by conference call last night to discuss with the Technical Delegates and BUCS the feasibility of running the Match Racing Championship in the current climate.

Having considered the latest UK Government advice and the decision of the Royal Yachting Association to postpone or cancel all RYA events up to the end of April, the decision has been taken to cancel the Match Racing Championship. Given the limited time remaining in the academic year, it will not be possible to re-schedule the Championship.

We would like to thank the RYA for all their work planning for the Match Racing Championship and BUSA looks forward to the 2020/2021 season.

Hannah Peters  
BUSA Secretary
