

BUCS/BUSA TEAM RACING CHAMPIONSHIPS FINALS 2014

NOTICE TO TEAMS: PRE-EVENT INFORMATION

- 1 We hope you are looking forward to the Championship Finals. Please note the following important information.
- 2 The schedule for Sunday morning is as follows:

08.00hrs	Registration opens
09.00hrs	Registration closes
09.30hrs	Team briefing
10.00hrs	First start
- 3 Our goal is to get racing started as soon as possible and we are sure you want to as well. So it is extremely important that you are registered no later than 09.00hrs and then are ready to go on the water immediately after the briefing. The draw for the first round will take place on Saturday 5 April and will be posted on the BUSA Facebook page so you can see if you are first up.
- 4 For registration, you must bring your university ID card - a NUS card does not suffice. As far as possible, please come to register together as a team as this eases the process. Any social registration will take place during the day and not at morning registration.
- 5 You must wear a wetsuit or drysuit and a buoyancy aide (or other PFD) at all times when afloat. The Race Committee may relax the requirement to wear wetsuits/drysuits on a day-by-day basis if the weather is suitable, but the default position is you must wear them.
- 6 The race officials appointed to the event are listed at the end of this notice.
- 7 In the event of medical issues, the nearest hospital to the Loch is Wishaw General Hospital, 50 Netherton St, Wishaw ML2 0DP. It is around 3 miles / 12 minutes drive away and has an A&E department. If you have a medical emergency you should speak to an event official in the usual way to summon help.
- 8 Three of the flights being used have similar markings (blue and white hulls). To distinguish between them, each flight will have a unique coloured bow number on it. We will give you more information at the briefing but, as ever, it is vital to keeping racing running that you make sure you get in the right boats at the right time.
- 9 We hope you have a great event and look forward to seeing you in Scotland.
