### **3. Chairman's Report**

Stuart Robinson's report was read on his behalf by acting chairman Joe Llewellyn (Vice President) after Joe was voted in (proposed by Simon Shaw and seconded by Dom Johnson). He said that he had very much enjoyed his time as chairman especially during a time when BUSA had become so much more widely recognised.

This year was the launch of the BUSA website that has proved to be very successful in heightening the profile of BUSA and was a very sound investment for the future.

A meeting was held in February with BUSA sports to discuss making more student sailing events worth BUSA points – no firm decision has been made as yet but should hear a result at a second meeting in May.

Mentioned the American tour for a month in the summer where help is needed.

Thank you to Cambridge for running the event.

### **4. Presidents Report**

Thanks to Cambridge and big Thank you to Tessa for all the work she has done with BUSA especially setting up the new website.

Need to select teams for the USA tour –
