NOTICE REGARDING WEATHER FORECAST FOR BUSA QUALIFIERS

Issued 31 Jan 2019 at 14:00

Given the current forecast for snow and ice across much of the south of England & Wales tonight, we are currently reviewing the feasibility of holding BUSA Qualifiers this coming weekend.

Our primary concern is the safety of the competing teams and officials, and their ability to travel to their qualification venue without being at an adverse risk.

At the moment it appears that the **Western Qualifier (Chew Valley SC)** and **Midlands Qualifier (Grafham SC)** are most affected. We currently expect that the Northern, Scottish and South Central qualifiers will proceed as normal.

However, it is currently too early to make a final decision and we are monitoring the weather forecasts carefully. We are also liaising with the Race Officers and Area Reps for their input.

A final decision will be made no later than 12:00pm tomorrow, Friday 1st February.

This will be emailed to all team captains and officials to your nominated email address and will be posted on the BUSA Facebook page. Please check these carefully before beginning to travel.

Thank you for your patience, we hope you understand that such circumstances are out of our control.
