Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
  - a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

All participants assume full responsibility for any, and all, injuries, losses and damages that are incurred while participating in BUCS events.

14.2.2 If the OA decides that the event cannot be safely sailed in compliance with the relevant Covid regulations, it will cancel the event. As prescribed in 14.1 Entry Fee for a cancelled part of the event will be refunded; less any costs already incurred and the non-refundable BUCS and, BUSA administration fee which is paid on entry.

## Appendix B

### Damage Policy

BUSA does not require teams to lodge damage deposits prior to racing. By entering the Championships, Member Clubs expressly agree to follow and comply with this system without delay or dispute. A failure to comply with an instruction or notice issued under this Appendix may result in disqualification from the Championships without a hearing. This changes RRS 63.1.

- B.1. Each team is liable for up to £300 of damage costs per racing incident.
- B.2. Any decision on liability or the quantum of any damage is solely for the Organizing Authority to determine. Subject to rule 62, the decision of the Organizing Authority is final, and teams and competitors agree to accept it without dispute.
- B.3. The Organizing Authority may determine that damage which cannot be attributable to specific teams be payable by all participants. In this case the costs of non-attributable damage will be split between all participating teams.
- B.4. If a team is assessed to be liable for damage costs, and these are not paid at the event, BUSA will issue a damage notice and send it to the team captain. At the same time, BUCS will issue an invoice for the same amount to the Member Club's institution. Invoices must be paid (without setoff or deduction) within 14 days unless an extension is agreed with the Organizing Authority.
- B.5. In the event of damage occurring, the Race Committee may require a payment from the responsible team at the event to be made towards the damage costs. Teams shall make any such payment when required to do so.
- B.6. Failure to comply with a damage notice within 14 days (or any extension period) is a breach of this Appendix and the Organizing Authority may:

- a. disqualify the team in question without a hearing;
- b. disqualify any other teams from that relevant Member Club without a hearing; and/or
- c. re-allocate any qualification places immediately to other teams.

B.7. The Organizing Authority may amend or cancel a damage notice at any time and may reinstate a team disqualified.

Teams must also be aware that if a damage notice is not complied with, the Member Club will have its membership rights (including the right to compete at BUSA events) suspended.

## Appendix C

### Team Substitutions

Team membership must be submitted to [secretary@busa.co.uk](mailto:secretary@busa.co.uk) by the deadlines shown in para.5.3. Any subsequent substitutions or changes made after the change of team member deadline in the table in NoR 5.3, apart from for the Scottish Qualifier (see below), may only be made under exceptional circumstances as decided by the Organizing Authority and with its written approval, subject to the below requirements. Requests for substitution should be made in writing to the Organizing Authority via the BUSA Administrator at the first reasonable opportunity, citing the reason for the substitution.

Teams competing at the Scottish qualifiers are allowed one free substitution throughout the duration of the qualifier stage. Any further substitutions will only be allowed in exceptional circumstances and with the written approval of the Organizing Authority, subject to the below requirements. This free substitution must be notified to the BUSA Administrator at the first available opportunity.

C.1. A substitution is defined as the replacement of one sailor for the duration of either one day of sailing or for the duration of one event or stage following the close of a stage entry deadline.

C.2. The duration of a stage runs from the close of the Stage 2 Entry Deadline (as defined in Table 1) until the completion of the last race of that stage.

C.3. For a team to remain eligible in the Championship, any substitution must:

- a. Be a sailor registered through BUCSPlay,
- b. Comply with any requirements of this NoR, and
- c. NOT be from a team still competing in the Championship.

C.4. Playoffs Substitutions

- a. Any substitution made for a team competing in Playoffs cannot have sailed for a team at the relevant Qualifier stage who has already qualified for the Championship Final.

C.5. Team Captain

- a. Any substitution or subsequent change of team captain must be notified to the Organizing Authority in writing at the first reasonable opportunity.
- b. The team captain is the sole point of contact for his or her team, and BUSA will communicate with all entered teams by email to the declared team captain.

C.6. Exceptional Circumstances

- a. Exceptional Circumstances are defined as events or problems which could not have been reasonably foreseen, and which stop someone being able to compete. For example, bereavement, unexpected personal or family problems, injury or illness might be considered as an exceptional circumstance. Exam dates (including revision for them) and coursework deadlines will normally only be considered exceptional circumstances if the team can prove that the date was fixed after the relevant deadline for entries.
- b. In Exceptional Circumstances, a team member substitution may be approved by the nominated O.A. representative at the event, citing the reason for the request.

C.7. The Organizing Authority may protest breaches of team change and substitution restrictions within seven (7) days of the relevant information coming to its attention. This changes RRS 60, 61 and 64. The penalty shall be at the discretion of the Protest Committee.

C.8. A boat may not request redress from the actions or omissions of the Organizing Authority under a rule of this appendix (this changes RRS 60).
