

British Universities and College Sport Fleet Racing Championships 2024

9th and 10th November 2024
The Royal Torbay Yacht Club

Notice to Competitors

Dear BUSA Clubs,

This morning, the Notice of Race for the BUCS Fleet Championships was released, and I wanted to clarify the entry process due to some changes this year. We've introduced a two-step entry fee system to provide better value for money, avoiding BUCS and BUSA fees for a portion of the cost of the event.

Please find the Notice of Race [here](#) for full details.

How to Enter

Submit your entry via the BUSA [Google Form](#).

Enter via BUCSPlay. Full instructions on how to register for BUCS events can be found [here](#). This is where you will pay the BUCS Entry Fee.

Once both entries have been submitted, Exeter Sailing will issue an invoice to your club for the remaining RTYC Entry Fee.

Entries close on Tuesday 29th October 2024.
