10. Risk Statement

Rule 3 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone".

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk.

- 10.1. By taking part in the event, each competitor agrees and acknowledges that:
 - a) they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - b) they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - d) the provision of a race management team, patrol boats, umpires and other officials and volunteers by the OA does not relieve them of their own responsibilities;
 - e) the provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
 - f) it is their responsibility to familiarise themselves with any risks specific to the host venue or the event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
 - g) it is their responsibility to ensure that they are familiar with the type of boat used, and the supplied equipment and are suitably experienced with its operation.
 - h) it is their responsibility for ensuring all supplied equipment is carried on board.

- i) they are fit to sail and that they believe the crew and the boat and crew is capable of competing in the anticipated conditions.

11. Cancellation

- 11.1. The OA reserves the right to cancel the event. The entry fee and any deposits will be refunded less any unavoidable costs.

Attachment X –Damage

It is expected that all competitors show due care and attention to the boats that are provided for their use during the Event. Damage to boats causes conflict, delay and impacts everyone involved at the event. This attachment intends to help minimise damage; ultimately providing more racing at less cost for everyone.

In the unfortunate case of damage occurring, this attachment provides guidance to competitors and officials on how damage may be assessed, penalised and costs allocated as equitably as possible.

X1. DAMAGE AGREEMENT

X1.1 By entering the event, the team expressly agrees to follow and comply with this system without delay or dispute. A failure to comply with an instruction or invoice issued may result in disqualification from the event without a hearing.

X1.2 Each team is liable for up to £600 of damage associated costs per incident (this includes boats, equipment and property).

X1.3 Damage also includes, but is not limited to, any College fines or damage to equipment or property due to the actions, or inactions, of any team member or person(s) associated with the team at the CamCup Dinner, or at a Cambridge College or host's accommodation throughout the event and preceding evening.

X1.4 Any decision on the allocation and quantum of any damage associated costs is solely for the OA to determine. Subject to RRS 61, the decision of the OA is final and teams agree to accept it without dispute.

X2. DAMAGE ASSESSMENT

X2.1 An initial assessment of damage will be made as soon as possible following an incident.

X2.2 Onward assessment of the damage after further inspection will have no effect on a penalty given in accordance with RRS 14 but may affect any damage associated costs.

X3. DAMAGE ASSOCIATED COSTS

X3.1 The Race Committee may require a team to make an intermediate payment, to the amount defined in this attachment; against allocated damage costs before the team may sail another event boat.

X3.2 If a team is allocated damage associated costs, and these are not paid at the event, the OA will issue an invoice to the team. Invoices must be paid (without set off or deduction) within 14 days unless an extension is agreed with the OA.

X3.3 Failure to comply with a damage invoice within 14 days (or any extension period) is a breach of this agreement and the OA may:

- (a) disqualify the team without a hearing,
- (b) reject any future entries from the team's organisation,
- (c) Take any reasonable further action

X3.4 The OA may amend or cancel a damage notice at any time and may reinstate a team disqualified.
