

BUCS/BUSA TEAM RACING CHAMPIONSHIPS 2012

NOTICE TO TEAM CAPTAINS – NO. 3 Q&A - TEAM CHANGES

Q1 A university enters three teams into the competition: Green, Blue and Yellow. Green fails to qualify, Blue qualifies direct for the Finals and Yellow to the Playoffs. Who may be substituted into Yellow if required?

A1 Competitors from the Reserves List or from Green may be used.

Competitors from teams that are still competing are not allowed to be used. In this situation, BUSA would list Blue and Yellow as still competing on its website and that list is definitive under the NOR.

Please note different rules apply during the Scottish Qualifying Leagues.

Q2 If Yellow fails to qualify for the Finals, can members of that team then be substituted into Blue if required?

A2 Yes.
