Appendix 1: Sample Invoice and Terms

This invoice will be used to claim damage deposits that were agreed to in accordance with Entry Form, for a maximum of upto £250 for each separate incident in which damage occurs.

Photographic evidence of the damage will be taken as soon as reasonably practicable after the event. Teams who may be deemed at fault are encouraged to obtain their own evidence of the incident.

The damage caused will be attributed as per the Notice of race instructions.

Amounts to be paid for damage to equipment will be attributed by one of two ways:

1. Obtaining 3 separate quotations, these 3 quotes will be reviewed by the event organisers and a decision will be made in liaison with the equipment's owners as to the course of action. The team responsible for the damage is also encouraged to be involved in this process.
2. The team who caused the damage can, with the consent of the owners, organise repair or replacement outside of this agreement

Should any party be unhappy by the decision reached by the race organisers, they will have a right to appeal to the Student Activities Manager at Leeds University Union, who will act as an independent arbitrator. More details on this can be obtained from the Student Activities Department at Leeds University Union.

Any travel to collect and or deliver parts or equipment relating to the damage is chargeable at 35p per mile. This amount will be added to the invoiced amount and will form the settlement due. This settlement needs to be settled within 28 days of being received.
