

## 2016 BUCS/BUSA TEAM RACING CHAMPIONSHIPS

# 2016 Bidding Invitation

To put yourself in with a chance of hosting one of the most prestigious events in the university sporting calendar – the BUCS/BUSA Team Racing Finals - we will initially require a short letter expressing your interest. Your letter should be no longer than two pages long and give a broad overview of your club, your host club, and reasons why you think you, your host club, and venue would make for a good team racing finals.

From these letters we will choose two or three universities which will be invited to submit a full bid document. You will then be asked for some more information including letters of support from your AU and host club. BUSA may also send their technical delegates to meet with you and talk in more detail about your plan.

Good luck bidding!

**Deadline: 4pm 12th June**
